Gaurav Rana

## Education

### FULL STACK DEVELOPMENT

MASAI SCHOOL

Feb 2023 - Oct 2023

### BACHELOR OF ARTS (MATHS)

MAHARSHI DAYANAND UNIVERSITY

2020 - 2023

## Experience

### LET IT BEE.CO WEBSITE

PRODUCT PAGE | DEATILS PAGE

Tech Stack: HTML, CSS, JS, REACT, Redux, JSON

Developed engaging product pages for improved user shopping experiences.

Enhanced product details pages with interactive features and real-time data.

Prioritized responsive design and performance optimization.

### MINE-WINE WEBSITE

COLLABORATIVE PROJECT | 4 MEMBERS

Tech Stack: HTML, CSS, JavaScript, Firebase, Razorpay

I've created the Products page and product details page including all sorting and filtering functionality.

## Certificate

### ZOOM MARATHON CHALLENGE

MARATHON CHALLENGE MASAI

Completed two Zoom Marathon Challenges (ZMC), delivering daily 3-5 minute speeches, honing public speaking skills, and fostering consistency.

A skilled full-stack developer proficient in both front-end and back-end technologies.

With a collaborative mindset, I create user-centric web applications, meeting project goals efficiently and effectively.

## SKILLS

HTML & CSS	REACT & REDUX	Node & JSON Server
JAVA	JavaScript	BootStrap
Git & Github	MangoDB	Express JS

### BOAT WEBSITE

TEAM LEADER

Tech Stack: HTML, CSS, JavaScript

Led a cross-functional team in developing the BOAT e-commerce website, overseeing tasks, timelines, and resources.

Designed and created the Home and Product Pages, ensuring responsiveness and user-friendliness.

Works on optimizing the website for search engines to improve its visibility in search results.
